

# Magic Forest Stage 2-Full Year Guide

Below is the suggested timeline of all Stage 2 52 themed books as a full-year study. Each themed book is aligned to the month and season it flows naturally with, though each book is designed to be used individually and referenced at any time. Each Season Bundle contains 13 themed books. While most of our books Arts & Crafts section contains a nature themed craft, we have chosen 10 famous artists to study throughout the year.
